RE: ACC Request

Ladies and Gentlemen:

The Architectural Control Committee is requesting the following additions/change (in red) to the APC List. I have also enclosed a copy of the current APC List with the following corrections.

Painting the house exterior, walkways, privacy wall, front door and garage doors -

Criteria:

- 1.) The paint color must be the same as the original paint color without exception. Change:
"1.) The paint color must be the same as the original paint color with exception of walkways, which can be the same color as was previously approved by the ACC."
- 2.) The Town Manager is required to verify and approve the color selected prior to anything being painted.
- 3.) Color charts are available in the Town Manager's Office.
- 4.) If you do not choose to purchase paint from a VW approved supplier which has approved color charts for Village Walk, you must submit your suppliers color chip(s) to the VW Office for comparison and approval.
- 5.) No touch-up or partial painting is allowed unless paint matches existing surrounding paint area.

If you have any questions, please feel free to call me at (239) 594-8044 or Joe Lomastro at (239) 513-9601.

Thank you for your consideration,

Christy Cocklin, Secretary
for Joe Lomastro, Chair
Architectural Control Committee
